

Langham Creek Project Prom 2011 is officially kicked off

Announcement of the Venue:

After the general kickoff meeting many people spent many days and hours touring possible venues, looking at catalogs and websites for activities, trying to find chairmen, etc. We had no idea how quick we had to get on this stuff because other schools are out there doing the same thing. All the work was worth it - the Berry Center has been secured for the LCHS 2011 Project prom.

We are completely jazzed about this! You would not believe all the incredibly cool activities that can be brought into a facility like that. Not to mention it is clean, close, cooled, and completely customizable! The Berry Center has a complete staff available and will do all the setup and tear down for us. They provide tables and chairs and curtains and partitions, and TV's and couches, etc. etc, etc. We have also found an enormous amount of entertainment that will be set up for us as well. Below are just some of the things we have found.

www.skyhighpartyrentals.com (outdoor movie theaters)

www.artificialiceevents.com (portable ice skating rink)

www.partypop.com (can spend hours on this just checking it all out)

www.partiespicnics.com (carnival games & inflatables games - giant twister)

www.g2u.com (Booger Wars-too funny, giant hamster ball)

www.jumpingballs.com (click on left jumping balls, click on center red ball 13-adult, watch video of hoppity hop soccer - too funny)

www.topinflatables.com oversized chair for photo ops, air dancers for entry

www.inflatable2000.com (race to the top is cool, lagoon of doom looks fun, beach volleyball, crisscross collision course, mega rally racetrack where you would hold tricycle races), robo surf (too cool)

www.partypop.com Photo booths

Another high point, parents will be able to help set up, go home and help their child get ready for prom, take pictures, etc, and easily make it back for further set up and to help with the event. Kids will also get home a lot earlier from the event since they won't have to ride a bus to and from the location. It will be a LOT easier to get volunteers to assist with the event if they aren't having to make multiple trips across town.

Yes, the prom will also be held at the Berry Center. The kids will actually leave the Berry Center, go home and change and return through a completely different entry. It will be transformed completely and an entirely different experience from the prom. It will be Great! Please visit our website www.lcprojectprom.com for more information,

Announcement of the Committees

The fundraising committees have been voted in for the Langham Creek 2011 Project Prom. We have a lot of money to raise to make sure we have plenty of entertainment, food and prizes for the kids so that it will be a night to remember and keep as many kids as possible off the streets that night. We need lots of volunteers to assist us. We have something for everyone. If you work, we have things you can do from home or on the weekend that might only take an hour or two. Below are the fundraisers. Please contact carrie.alston@sbcglobal.net if you have an interest in participating in any of the committees.

Paw Prints
Homecoming Mums
Golf Tournament
Membership \$20.11
Cow Plop
King of the Court
Casino Night

Halloween Store
Mr. Lobo
Busy Parent
Kickball tournament

If you are not able to donate time we could use any type of donation such as money, auction items, food, services such as t-shirt printing. If you are in a company that might sponsor some of our events or be corporate sponsors please let us know. There are so many ways you can help. Feel free to visit our website www.lcprojectprom.com for more information or go to our facebook LCHS Project Prom 2011.
