

LANGHAM CREEK HIGH SCHOOL PROJECT PROM

We are part of your Community!

To Whom It May Concern:

Re: **Langham Creek Project Prom 2010**

Project Prom is an annual all night event sponsored by concerned parents of graduating seniors, members of the community and Langham Creek High School.

The primary objective is to offer seniors and their dates a chaperoned, safe, non-alcoholic, drug-free environment after the Senior Prom. It was conceived as a viable alternative to all night post-prom parties where alcohol and drug abuse so often led to tragic accidents and death.

Each year for the past few years more than 400 seniors and their dates have taken advantage of this memorable event featuring games, dancing, prizes and entertainment. This year we are expecting an even larger turnout. As a non-profit organization, PROJECT PROM relies on the help and support of businesses and community leaders, as well as parents, to meet the financial need of an event this size. Your contribution either monetary or that of a prize that could be given out the night of PROJECT PROM will greatly enhance our efforts to provide a safe and fun post-prom event for our students. We will acknowledge your generous support and contributions to the class of 2010 by listing your business name in our school and community newsletters.

Because the PROJECT PROM Committee is a 501(C)3 non-profit organization, your donation will be tax deductible within the limits set out in the law. Please mail your checks payable to LANGHAM CREEK PROJECT PROM, along with the enclosed Solicitation Form to the address below. If you need your donation picked up or have any questions, please do not hesitate to contact one of the board members listed at the bottom of this letter.

So that we can finalize our plans for this event, please let us know at your earliest convenience. We greatly appreciate your help and support for this worthwhile activity.

Sincerely,

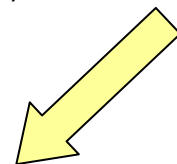

Kelly Hamlin
