Theme:

- Rejeana – gave hand out with all the different committees for the night of project prom. Explained what each one entailed. Asked that everyone sign up to be either a chair person or a volunteer for a committee. If you chair a committee for that night you get \$5000 extra in Lobo bucks. If you volunteer for a committee for that night you get \$2000 extra in Lobo Bucks.
- Discussed t-shirt ideas and discussed naming each of the different areas with theme type names.
- Areas we would like to have that night are DJ (secured already), hypnotist (secured already), casino tables (secured already), 3 caricature artists, Velcro wall, mechanical bull, bungee run, airbrush tattoos, rock wall, obstacle course.
- We can decorate upstairs Thursday night and/or Friday morning. The main central area can be started at about 7pm (inflatables area) and the rest can be done after 10pm. We hope to be done decorating soon after 10pm.
- Buses - All students will be required to ride the buses that will be provided or they will not be allowed to enter the event. They must ride the bus to and from the event. Each bus will have parents on them. Be thinking of fun ideas to do on the bus like games, prizes, lobo bucks, etc. There will be a parent bus available for a nominal cost to cover the charge for the bus. If there is a lot of interest than we can get an additional parent.
- Prizes are for seniors only but everyone is allowed to play.
